Male Sexuality, Alien, Pregnancy, Alien

The Opposite Sex simply does not have an equivalent. We can learn. We can empathize. We can wrap our HEAD around it... but we cannot FULLY grasp what it is really like. So we must LOVE and do our BEST to Understand. That also means as open Communication as possible, and that takes Trust and Skill.

## **A Note from an Agathos Woman talking about Male Sexuality**

WHY wouldn't I embrace it? GOD MADE IT! I am not in denial of the infinite genius wonder of the God of all Creation! He made it perfect. I just accept it and love it and embrace it.

GOD MADE IT! He is perfect. He is genius. He KNEW that it would take woman being EXCEPTIONAL! ALL that He made her to be in order to embrace that! Woman has to be all she can be, align with His perfection as much as she can to even REMOTELY see and embrace, and GOD designed it that way! HE KNEW WHAT HE WAS DOING!

He knew that if she was broken and hurt and messed up, she couldn't embrace, couldn't see. She has to walk her own path to the Spirit level in order to handle that which He created perfect. WOW! NOW THERE IS A THOUGHT PROCESS THAT I AM AMAZED CAME FROM ME!

This won't seem to shake from my brain. I know that there is this question in the mind of many Christians: 'WHY would God have made it that way?' "It is just *wrong*. God could not have made it that way! Man/Satan perverted it."

Not a chance.

God is perfect and infinite in his genius. I go back to my statement: He knew that both man and woman would have to be at their FINEST, the closest to Him, their alignment with Him as it should be, to be able to live this. THAT was his goal! He wired Man that way because then he would have to love properly to use it properly. Men would have to live by principle to use it properly. He would have to be connected to the one that created it to use it and accept it and embrace it. It was designed for the perfect alignment to be there.

Woman needed to know how to love, be aligned, live by principles, accept, embrace and be all that she can be according to God's genius design. She would have to be strong and loving and powerful to love Man and accept and embrace him as God wanted her to.

In short we have to BE, to LIVE AND BE "God's Man and God's Woman" in order to operate and live this out the way it should. He was GENIUS! He knew without living according to design, it would be corrupt and vile at its worst. But He created it JUST for the reason that in order to have it be as it should, beautiful, light, amazing.....we would have to be aligned and live his design correctly and be all he created us to be.

How cool is that!
