Primary Gender Fantasy: Sexual Access to Many Attractive Women

GDTOP: _____

God Did This on Purpose.

Such easy Impulse drives Men easily. It helps them Sacrifice. It helps them Risk. It helps them help women in particular and people in general without needing to know them personally. It helps them transmute all the easily gathered sex energy to accomplish, to achieve, to invent, to build, to become more... and they can do it with a glance. Imagine if they needed connection to feel that impulse. When the ship was going down, they would not automatically protect the women – it would be every man for himself – and he would only work for the one's he knew and cared about.
